

# Yashen Fernando

full stack developer (internship)

## Education

### General Certificate of Education Advanced Level

Ananda Sastralaya National School - Matugama  
Year of Graduation: 2022

- ICT as a subject in the advanced level examination. Learned html, css, python and DBMS(mysql) there.

### Higher National Diploma

IJSE | (Institute of Software Engineering)  
Year of Graduation: 2024

- I'm complete first semester successfully.
- I have a good idea about java, oops, MySQL, JavaFX and Figma(UI).

### Self Study

I am learning JavaScript and JS based frameworks in these days.  
there are react, react-native, node JS (express Js)  
I'm an absolute beginner for these technologies.

+94711974973

Matugama , Kalutara , Sri Lanka

## Relevant Skills

- Javascript, Java , Mysql
- Problem Solving
- Team Communication

As a software engineer intern, I hope to have the opportunity to study modern JavaScript frameworks and libraries, as well as delve into the world of object-oriented programming and Flutter app development. I believe that your company is the perfect place for me to learn these technologies and gain a deeper understanding of the development principles. With the guidance and mentorship of your experienced team, I am confident that I can become a valuable asset to your team.
